

Damar Charter Academy ESSER III Funds

Damar Charter Academy plans to use ESSER III funds to support the salary and benefits of two certified teachers for the purpose of providing instructional support for students identified in need and/or at-risk based on testing and evaluation. In addition, funds will be used to supplement the salary and benefits of ten paraprofessionals for assistance in reading and math, working with students identified as at-risk based on testing and evaluation, under the supervision of a highly qualified teacher.
